

2022 Impact Report

Help. Healing. Hope.

From Our Executive Director

Dear Friends of Park View,

What a generous community in which to live! 2022 was a year to remember for Park View Community Mission. Your generosity enabled Park View Community Mission to serve over **113,000 neighbors**. We provided food and nutritional resources through Park View Café, Food for Families, and Food for Thought. We helped our neighbors navigate eviction notices and utility disconnections and get into safe shelters through our Community Resource Center. Our Life Skills Institute was able to assist neighbors in reentering the workforce and to provide education for our neighbors in a myriad of other topics, such as computer skills, budgeting, and healthy cooking. Neighbors shopped for free clothing at The Clothing Connection, and many of them were able to get clothes for jobs, funerals, court dates, and weddings through our Attire to Inspire initiative.

For this to happen, it takes over **\$1,000,000 in financial support**, approximately **\$3,000,000 in donated food and other items**, and a village of committed volunteers each year! Our donors, community partners, and volunteers make all of this possible.

Please take some time to read our first-ever Impact Report! You will see a glimpse of the wonderful community of neighbors we serve and the generous community that supports our work.

With gratitude,

Dr. R. Todd Blake
Executive Director

Our Mission

Park View Community Mission exists to restore the lives of families and communities by building relationships and providing life-changing resources.

Dr. R. Todd Blake

How We Began

One act of hospitality. One hot meal. That is how we began. The church choir of the former Park View United Methodist Church was gathered for a potluck dinner when a homeless neighbor came to the door, hungry and looking for a meal. He was welcomed to the table and offered food and hospitality. The following week, he brought a friend, and eventually the church began serving dinner for the neighborhood. That meal has been served on Wednesday evenings since 1996.

The church closed in 2007, but that closure gave birth to something brand new. Former church members returned to our location each week to provide a meal. In 2009, Park View Community Mission became an official ministry of the Lynchburg District of the Virginia United Methodist Church, adding the support of the then 89 churches of the district through both financial gifts and the gift of volunteers.

In 2017, Park View Community Mission became a 501 (c) (3). Our support has grown from one congregation to a diverse group of faith communities, individuals, foundations, grants, and corporate and civic sponsors who share a passion for providing help, healing, and hope in our community.

Since becoming a separate nonprofit organization, Park View has experienced a season of rapid growth in scope, budget, staff, programs, and, most importantly, our capacity for serving our neighbors.

Programs

Park View Café

In the spirit of Park View's origin story, we welcome our neighbors each week to gather around the table for good food and shared community.

Food for Families

We invite our neighbors to shop for free non-perishables, fresh produce, meat, dairy, baked goods, and personal care items in our neighbor-choice pantry.

Community Resource Center

It is daunting to deal with all the challenges our neighbors face alone. We provide guidance, mentoring, and financial assistance to keep our neighbors safely housed and aware of available resources.

Food for Thought

Our society promises students that education is a way out of poverty. We help make that promise a reality through good nutrition for food-insecure students over weekends and school holidays.

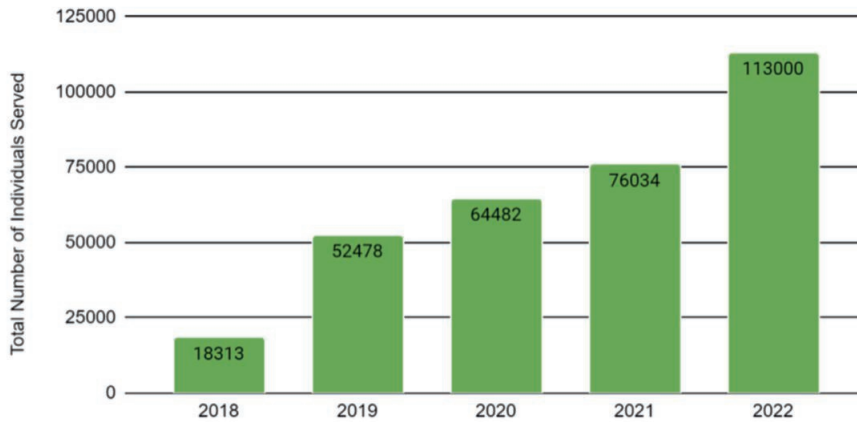

The Clothing Connection

The proper clothing can protect our neighbors from the elements or make a good first impression. Our free shopping experience provides them the necessary clothing to prepare for the world with confidence.

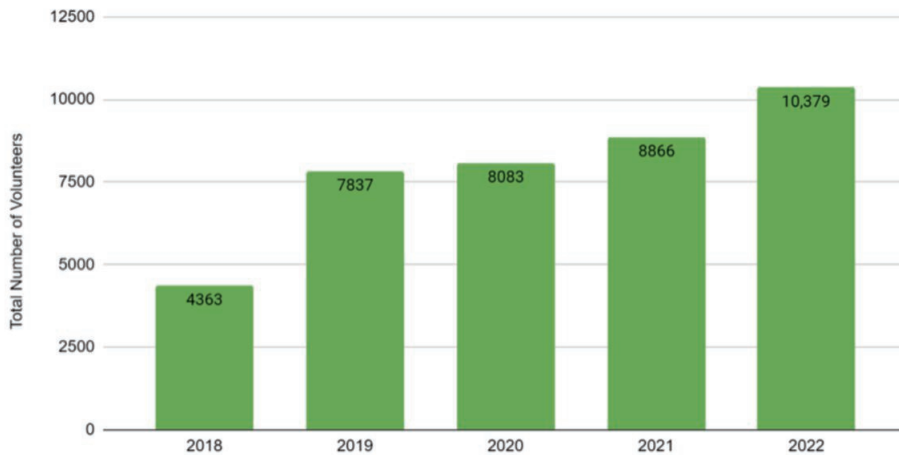

Life Skills Institute

For neighbors who are unemployed, reentering the workforce involves navigating barriers. We are here to knock down barriers through skill development, job readiness training, and assistance with transportation.

Total Number of Individuals Served By Year

Total Number of Volunteers by Year

Park View By The Numbers

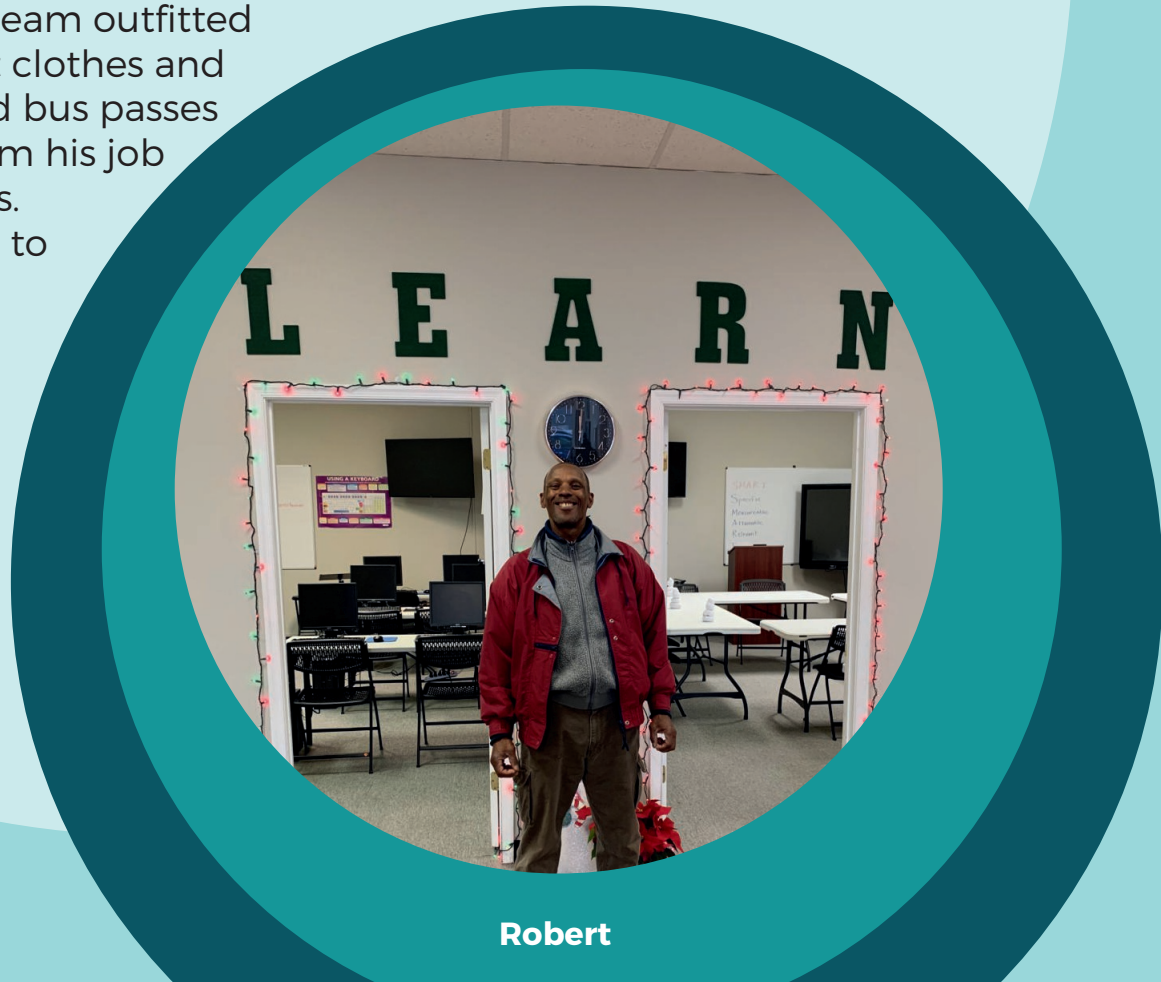

Check It Out!

6 programs
11 full-time staff
2 part-time staff
113,000 neighbors served
10,379 volunteers
1,054 new households came to shop at FFF
30,753 weekend food bags were distributed through FFT

From A Weekly Meal To Security And Support

Robert first came to Park View Community Mission's Park View Café one Wednesday evening to get a hot meal. Weeks later, he stopped by the Life Skills Institute (LSI) seeking help with career navigation. He was discouraged after several unsuccessful attempts to find employment on his own. After getting to know the LSI staff and receiving encouragement, Robert began to heal and regain his confidence. He was starting to feel the hope of a brighter future. Robert ultimately secured a job with English Construction Company!

Our Attire to Inspire team outfitted Robert with the right clothes and LSI made sure he had bus passes to get him to and from his job for the first few weeks. Park View staff works to cultivate trusting relationships with neighbors like Robert, so they feel known and supported.

Robert
